# ENTERPRISE ZONE BUSINESS REGISTRATION (EZB-R)

## GENERAL EZB-R QUESTIONS

**Who should file the EZB-R?:** Any zone business or entity that claims any of the incentives available to zone businesses must submit to the Indiana Economic Development Corporation (IEDC) a verified summary of the amount of tax credits and exemptions claimed by the business in the preceding year. Failure to file an EZB-R while claiming an exemption or credit will result in denial of the tax credits and exemptions available and disqualification from further participation in the enterprise zone program.

**When should the EZB-R be filed?:** Any entity that accesses one or more Enterprise Zone tax incentives is required to file a registration form with the IEDC **postmarked no later than June 1 of each year**. This means that forms must be postmarked by the post office, ***not meter-dated or faxed***.

**What if a business cannot meet the June 1 filing deadline?:** If the June 1 date cannot be met, the extension form should be filed to provide additional time to complete the registration form. The registration extension form (EZB-E) is due **postmarked no later than June 1**. The IEDC may approve an extension time of up to 45 days. (If approved, the EZB-E will be returned with "APPROVED" stamped on it. Please attach an approved EZB-E to the EZB-R.)

**What if I miss the June 1 deadline to file an extension?:** If a business misses the June 1 deadline to file an extension, **the business has 45 days to submit the EZB-R form AND pay a 15% penalty to the IEDC**. The 15% penalty is based on the total tax savings of the business for the tax year.

**What if I do not know what my tax savings is by June 1<sup>st</sup> or July 15<sup>th</sup>?:** If the business does not know their tax savings by June 1, they should file an extension (EZB-E) by June 1, which will enable them to file the EZB-R form by July 15. If the business still will not know the tax savings by July 15, an EZB-R form is still due by July 15; however, the form will be incomplete. As soon as the tax savings amount is known, the business must submit a complete EZB-R form (and if applicable) send a check for 1 percent of the tax savings to the IEDC.

**What if a business has several locations?:** A separate form is required for each zone business or entity claiming an exemption or credit. If the business has more than one location or subsidiary, a separate registration form must be filed for each business location.

**Who should receive the EZB-R form?:** The revised EZB-R is a single form with instructions on the reverse side. **The original form (with the original signatures) must be sent to the IEDC. The original form should be accompanied with a registration fee (if tax savings are greater than \$1,000). The registration fee is equaled to a zone business' total tax savings multiplied by 0.01.** In addition, a copy must be mailed to the local Urban Enterprise Association along with the contribution check in accordance with the rate set by the city council of a particular zone. This contribution is separate from an in addition to the registration fee that is sent to the IEDC. Please contact your local UEA to obtain information about its contribution rate. Finally, the participating business should keep one copy of the EZB-R for their records.

**Please note the following:**

- Any information omissions on the registration form may delay processing.
- A corporate or firm officer must sign the registration form.
- The registration fee **must** accompany the registration form.
- If the EZB-R is returned for completion, omission of check, or correction, the business has **45 days in which to return the corrected EZB-R.**
